THANK YOU TO THE 221 RECIPIENTS OF THE *NAM Award for Manufacturing Legislative Excellence*

The National Association of Manufacturers (NAM) is pleased to honor these legislators with the *NAM Award for Manufacturing Legislative Excellence* for their strong support of a pro-manufacturing agenda. In the 111th Congress, 182 representatives and 39 senators earned this distinction, which is given to those who support key manufacturing votes at least 70 percent of the time. The NAM thanks these lawmakers for their dedication to policies that will help manufacturers create jobs and compete in the global marketplace.
