What do concrete additives from Mesquite, Texas, have to do with a school in Delhi, India? U.S. jobs, that’s what.

Fritz-Pak concrete additives—and experts—help developing nations construct safer buildings. With the help of the Export-Import Bank, this small Texas company delivers to the largest global markets and boasts an expanding employee roster.

To preserve American jobs, Congress must re-authorize the Ex-Im Bank. Learn more at exportersforexim.org
