Iowa Benefits from Exports!

Manufactured goods exports are the strongest part of Iowa's economy even though Iowa and other states export only half as much of their production as the world average. America's exports and the related jobs could double if Congress passes strong pro-export legislation.

- **Manufactured exports support 22 percent of Iowa's manufacturing jobs.**
- **Since 2003, Iowa manufacturing exports rose more than two and a half times as fast as the state's overall economy.**
- **82 percent of Iowa exporters are small businesses (2009).**
- **Iowa exported \$5.1 billion of manufactured goods to Free Trade Agreement (FTA) partner countries in 2010 — 54 percent of Iowa's total.**
