# Delaware Benefits from Exports!

Manufactured goods exports are the strongest part of Delaware's economy even though Delaware and other states export only half as much of their production as the world average. America's exports and the related jobs could double if Congress passes strong pro-export legislation.

- **Manufactured exports support 24 percent of Delaware's manufacturing jobs.**
- **Since 2003, Delaware manufacturing exports rose seven times faster than the state's overall economy.**
- **85 percent of Delaware exporters are small businesses (2009).**
- **Delaware exported \$1.5 billion of manufactured goods to Free Trade Agreement (FTA) partner countries in 2010 — 32 percent of Delaware's total.**
