Case No. 12-1477

UNITED STATES COURT OF APPEALS  
FOR DISTRICT OF COLUMBIA CIRCUIT  
FILED DEC 14 2012  
CLERK

**RULE 26.1 STATEMENT**

Pursuant to Federal Rule of Appellate Procedure 26.1 and D.C. Circuit Rule 26.1, Petitioners make the following Disclosures:

The American Petroleum Institute (“API”) states that it is a national trade association representing all aspects of America’s oil and natural gas industry. API has over 500 members, from the largest major oil company to the smallest of independents, from all segments of the industry, including producers, refiners, suppliers, pipeline operators and marine transporters, as well as service and supply companies that support all segments of industry. API has no parent company, and no publicly held company has a 10% or greater ownership interest in API.

The National Association of Manufacturers (“NAM”) states that it is the nation’s largest industrial trade association, representing small and large manufacturers in every industrial sector and in all 50 states. The NAM’s mission is to enhance the competitiveness of manufacturers by shaping a legislative and regulatory environment conducive to U.S. economic growth and to increase understanding among policymakers, the media and the general public about the vital role of manufacturing to America’s economic future and living standards. The NAM has no parent company, and no publicly held company has a 10% or greater ownership interest in the NAM.

The National Oilseed Processors Association (“NOPA”) states that it is a national trade association based in Washington, D.C. that represents 12 companies engaged in the production of vegetable meals and oils from oilseeds, including soybeans. NOPA’s 12 member companies process more than 1.6 billion bushels of oilseeds annually at 62 plants located throughout the United States, including 57 plants which process soybeans. NOPA has no parent company, and no publicly held company has a 10% or greater ownership interest in NOPA.
